(Year: 1992) Description: With Moving season starting soon, this could be a great addition to your fleet! Don't let the age of this refurbished trailer fool you! 48' moving trailer, air ride suspension. Dry box. Great for storage. New roof in 2022. Must see to believe the great condition this older model trailer is in. Trailer is road worthy, but needs tires checked as has been sitting a few months. Trailer has been used running the east coast, and is a dry interior. Equipment is not included, but could be purchased separately if needed. Call 201-845-7900 to make an appointment to see the trailer.
