(Year: 2002) Description: 2002 international 8100 CAT C-10 I am selling my straight truck because I just got a semi and rather it not sit. It is a 2002 International 8100. All equipment, tools, decking bars, plywood, pads, bands, 150 pads, 20 skins, Dollie's, sound system, light bars, everything and more come with the truck.. The engine is a CAT C-10, pushing 330 Horsepower. It is a 10 speed-Eaton Fuller transmission. No sleeper unfortunately. The floor is 31 feet long and the attic is 8 feet long. The engine has 570,000 miles on it. Still going strong. The Amish built the metal belly boxes, bumper and pull out tail gate. It is definitely strong. I have taken the truck to Washington state multiple times, it does great. The truck has done me well and I hopes to see someone treat it well. I am asking 50,000- or best offer- I am open for negotiation. I have all maintenance records for it. The deferential does lock in place. Come test drive it for yourself you will see! Be safe and thank you! Any more questions just email or call. Number is 931-267-0804.

Price: \$40,000.00
