(Year: N/A) Description: 66 Warehouse storage containers all in great condition and the same size as your standard klimp style warehouse container, just 6" taller. They are 5' x 7' x 8' tall, heavy duty built and can stack 4 high.. Tall enough for a standard size sofa to stand in. They have a side load swinging door with a piano hinge from top to bottom. Door has a security latch that you can put a padlock on or simply closes with 2 bolts. Easy to close without klimps flying everywhere or loading into a furniture / pallet truck or trailer. They were designed for mobile storage use but most have lived in the warehouse only. I have a few custom fitted vinyl covers that make them waterproof that I will throw in if you purchase them all. I also have a couple thousand full size mildew resistant warehouse pads, " light blue" that I'm willing to sell as well. I'm located in the Triangle area. Call or text me at 919-810-7895. \$250 each or take all 66 for \$12,000... Price: 250
