(Year: 2009) Description: **2009 Kenworth T370. Rebuilt 300 horsepower 8 L Paccar engine, brand new 10 speed Eaton manual. 3-year-old white paint, blue stripes are vinyls. Dump valve, diff lock, six aluminum & four steel wheels, good DOT, 15,000 miles on engine rebuilt at Kenworth dealer (it's out of warranty). 925k miles on chassis. Miles will go up (odometer shows lower miles because speedometer was replaced). Newly installed reman transmission. New turbo. Lots of work done for the new owner! Coffin sleeper, passenger side belly boxes hold 12 ft splits, 8' belly on dr. side. Air ride driver seat, pwr passenger window, 80 gallon fuel tank (typical range is 300-350 miles). 53k registered GVWR class B CDL. Has pullout tailgate, two curbside & two roadside doors, and an 11 foot attic. Box is 30 foot + attic, 2,500 cubes, and routinely takes 14-15k loads. I've personally loaded 20K on it before. Great truck for the guy who wants the biggest straight truck on the block. We've run it four years. Selling because, as a Class B truck, we don't dispatch it as much as we would like in our market so we're swapping it out for a smaller non-cdl unit. And with a newer powertrain it should be good for the Long Haul. We are right on I-80 in central Nebraska. Stop in and take a look.**

Price: **\$39,000.00**

Phone Number: **(308) 237-2445**

Person to ask for: **Sam**

Location: **Nebraska**
