(Year: 2012) Description: 2013 Volvo VNL Tractor For Sale — \$17,900 OBO We have a 2013 Volvo VNL tractor available for sale. The truck has approximately 754,000 miles, which is very reasonable mileage for this year, make, and model. The truck is in good driving condition, the drivetrain is strong and smooth, and the tires are in great shape. This truck has been sitting for a bit and does need some TLC, but it runs, drives, and is ready to be put back to work. The A/C has a refrigerant leak, but when charged, it blows ice cold. We are simply no longer using this truck in our operation, so we are making it available for sale. Asking \$19,500 OBO. Photos can be viewed here:
